Dear Kane County Voters:

It is with great respect and admiration that we support Kevin Williams to be elected as the next Kane County Sheriff. Over the past 20 years, we have observed Kevin in many official capacities, with the most memorable as a Lieutenant. Kevin demonstrates the skills and confidence to lead the Sheriff's Office with compassion and experience. He demonstrates leadership that will enable the many departments to continue to function in a manner with new energy and focus that is in the best interest of the public.

As a Lieutenant for the Kane County Sheriff's Office, Kevin has spent many hours working directly with the public formally through his community policing efforts. He has enhanced the community outreach efforts through his hands on approach. He values the personal approach to educating the public through various organizations across the county to ensure public safety. It is evident that through these efforts, he has been well respected and demonstrates those qualities that make a fine leader.

Kevin has a wealth of experiences, not only as a police officer in Kane County, but brings a wealth of knowledge and expertise from other municipal service fields. These experiences have enabled him to foster community relationships with area governments and build a much-needed network with key communicators in Kane County. Through his efforts, we are confident that he will continue as the next Sheriff to network with Kane County leaders to secure unified safety plans, enhance the education for seniors, and support educational administrators and teachers to proactively find solutions to keep our children safe. Kevin is dedicated to serving the public and displays compassion through his hands on approach. What impresses us most about Kevin is that he exhibits a willingness to listen to constituents that fosters informed decisions. We know that as the next Sheriff, Kevin will dedicate himself through collaborative efforts in providing a safe environment in Kane County.

We are confident that Kevin will be a successful Sheriff. He is compassionate, dedicated, committed and fosters efforts that begin with the education of the public related to safety. We have been Kane County former residents for the past 27 years and support Kevin as he has the ability to look at things objectively and ethically.

We recommend that the Kane County Sheriff's Police community vote for Kevin Williams as the next Sheriff.

Sincerely,

Janet M. Stutz, Kevin Stutz
